Contract Award Notice – Consultancy Services

Energy Resilience for Climate Adaptation Project (ERCAP) Consultancy Services for the Strengthening of Transmission Line

1. **Summary of Scores:**

Names of Consultants	Country	Expression of Interest (EOI) Average Scores					Average Total (100)
		Technical Competence (30 points)	Qualification and Experience of Firm (30 points)	Local and Regional Experience on Similar Assignments (20 points)	Financial Commitments (10 points)	Existing Commitments (10 points)	
WAPCOS Limited	India	27.75	27.5	10.75	9.75	9.5	85.25

2. **Name of Firm:** WAPCOS Limited

3. **Final Awarded Price:** USD 208,500.00

4. **Commencement Date of Contract:** June 9, 2020

5. **Duration of Contract:** Twelve (12) Months

6. **Summary Scope of Contract:** To conduct an engineering study to determine the physical condition of BEL's overhead power transmission system, prepare a digital plot of the route alignment studied and recommend immediate measures to improve the condition of physical infrastructure, as well as recommend a maintenance schedule to improve the resilience of the power system to storms, hurricanes and wildfires while reducing downtime within the proposed study area from BEL's Maskall substation to BEL's Westsub substation. The Consultant will carry out a detailed foot survey of the 115 kV transmission line within the study area, identify damaged structures, and recommend measures for its rehabilitation.

Note: Selection Method: Consultant's Qualification (CQS).
