

A FORTIS COMPANY

Scholarship OPPORTUNITY

For the academic year beginning September 2008, Belize Electricity Limited (BEL) is offering full scholarships for Belizean students to pursue a Diploma in Electrical Engineering Technology, specializing in Power Systems, at the College of the North Atlantic in Newfoundland, Canada.

The Diploma in Electrical Engineering Technology is a three-year program which heavily emphasizes electrical power systems, electrical design and control systems.

The full scholarship includes tuition, books, travel and living expenses.

Completed application forms must be submitted to any BEL Office countrywide in a sealed envelope addressed to:

Corporate Communications Department
Belize Electricity Limited
P.O. Box 327
2 ½ Miles Northern Highway
Belize City, BELIZE
RE: BEL Scholarship Application
