SPECIAL THANKS to customers who have pledged monthly contributions and also to employees of Belize Electricity Limited and members of the general public who supported the Bar-B-Que Sale organized in aid of this program.

Call **0-800-235-2273** for further information on how you can make a pledge.

To date BEL has raised just over \$9,000 for the STOP CRIME – *Start Now* initiative. This is in addition to the joint \$10,000 contribution made by BEL and its parent company Fortis Inc.

Customers are encouraged to continue supporting STOP CRIME – *Start Now* by pledging a monthly contribution to the cause. Funds raised will be used to support Crime Stoppers Belize in their efforts to bring the perpetrators of crime to justice and help establish social programs aimed at preventing crime.
