BEL Works to Restore Power Supply to Feeder 1 in Caye Caulker

At 4:05 a.m. today, power supply was lost to Feeder 1 in Caye Caulker, which supplies power to approximately 50 per cent of the island.

Inclement weather conditions in the area last night caused damages to power lines on the north side of the island, resulting in the power outage. BEL work crews are scheduled to complete repairs by 1:30 p.m. today, at which time power will be restored.

BEL regrets any inconvenience caused by this outage. For more information, please contact BEL at 0-800-BEL-CARE or 0-800-235-2273.
