BEL Works to Restore Power Supply to Placencia and a Portion of Independence

Belize Electricity Limited (BEL) advises customers in Placencia and a portion of Independence that it continues to work on restoring power to the area, following a loss of power supplier earlier today.

At 7:49 a.m. power supply was lost to these areas following a trip on Feeder Two. Work crews were immediately dispatched to the field where they continue to work on identifying the source of the problem and restoring service.

BEL regrets any inconvenience customers may be experiencing as a result of this outage and will provide updated information as it becomes available.

For more information, please call 0800-BEL-CARE (0800-235-2273).
