## **BEL Restores Power to Southern Belize**

At 12:19 p.m. today, Belize Electricity Limited (BEL) restored power to Southern Belize, following an emergency power outage.

The outage commenced at 9:20 a.m. and was necessary to repair a damaged switch at the La Democracia Substation located at Mile 31 on the Western Highway. BEL investigations have concluded that a loose connection on the switch caused the damage.

BEL regrets any inconvenience that was caused by this power outage. For more information kindly call 0-800-BEL-CARE (0-800-235-2273).
