## **BEL Restores Power to Belize City**

At approximately 2:30 p.m., power supply was lost to Belize City, as a result of a failed lightning arrester at the Magazine Road Substation.

While inclement weather conditions hindered work crews, necessary repairs were completed and by 5:23 p.m., power was restored to all areas in Belize City.

BEL apologizes for any inconvenience caused by this outage. For more information, call 0-800-BEL-CARE or 0-800-235-2273.
