BEL & Fortis Inc. Contribute \$10,000 Towards the Essential Services of BERT

As part of their ongoing Community Involvement Program, Belize Electricity Limited (BEL) and Fortis Inc. today presented a cheque for \$10,000 to the Belize Emergency Response Team (BERT) to assist the non-profit organization with sustaining the paramedic services it provides to the Belizean public.

In presenting the donation to BERT's Chairman Arsenio Burgos, BEL's President & CEO Lynn Young said the Company's aim is to support BERT in its objective to competently respond to those who need its services in the most critical and desperate circumstances.

“Over the years, BERT has played a key role in ensuring that our own employees are ready to respond in emergency situations,” said Young. “All BEL employees are routinely trained in CPR & First Aid in line with the Company's Health & Safety initiatives. We have always relied on and continue to liaise with BERT to equip our employees with these skills,”

BEL's President & CEO Lynn Young (l) hands over a \$10,000 cheque to BERT's Chairman Arsenio Burgos (r) during an official ceremony this morning.

BEL has committed to provide BERT with two subsequent annual donations of \$5,000 each. The presentation ceremony was held at BERT's headquarters located on Sunrise Avenue in Belize City.
