### **BEL Employees Deliver Christmas Hampers to 65 Families Countrywide**

Employees of Belize Electricity Limited (BEL) came together once again this year to spread Holiday cheer to 65 families in communities across the country.

This marks the 9<sup>th</sup> consecutive year in which BEL employees donated towards the Annual Christmas Hamper Drive aimed at providing deserving families with grocery items including a ham, turkey and other essential ingredients of the traditional Christmas dinner.

The initiative is spearheaded by employees who made monetary contributions totaling over \$7,000 which was matched by the Company. As a result, over \$14,000 was generated to assist 65 families with hampers that will allow them to prepare healthy meals during the holidays.

The hampers were delivered earlier today to families that were identified by employees.

Other employee community initiatives planned for the season include a toy drive in the Corozal District this Saturday and the serving of breakfast to the homeless in Belize City on Christmas morning.
