50 Families Countrywide Benefit from BEL's Christmas Hamper Drive

For the 8th consecutive year, employees of Belize Electricity Limited donated towards the Annual Christmas Hamper Drive which, this year, provided 50 deserving families across the country with hampers filled with food, grocery items and toys for the Holiday Season.

Employees spearheaded the initiative and made monetary contributions which were matched by the Company. As a result, almost \$13,000 was generated to assist 50 families with hampers that will allow them to prepare healthy meals during the holidays.

BEL employees delivered hampers yesterday throughout communities countrywide to families that were identified by fellow employees.

Employees' efforts to spread Christmas cheer will continue on Christmas morning, when they will serve breakfast to the homeless and other residents of Belize City.
