BEL Restores Power Supply to San Pedro Town - Identifies Snake Contact with Energized Power Line as Cause of Power Outage

Belize Electricity Limited (BEL) has restored power to San Pedro Town after a power outage occurred at 9:04 a.m. today. The outage occurred after a snake made contact with an energized power line within the Maskall Substation.

As power is fed to San Pedro Town via the Maskall Substation, a BEL work crew was immediately dispatched to this substation. BEL was able to restore power to Feeder 1 in San Pedro at 9:53 a.m. by using a standby generator unit. Power was restored to the entire town at 11:43 a.m.

BEL regrets any inconvenience that was caused by this power outage. For more information kindly call 0-800-BEL-CARE (0-800-235-2273).

END
