BEL Works to Restore Power Supply to San Pedro Town

At 6:32 a.m. today power supply was lost to San Pedro Town after an electrical equipment failure at the Maskall Substation, located on the old Northern Highway, which feeds power to the island.

Work crews were immediately dispatched to the substation where they continue to investigate the cause of the failure. In the meantime, power was restored to Feeder 1 at 7:56 a.m., a portion of Feeder 2 at 8:10 a.m. and a portion of Feeder 3 at 10:37 a.m., using the San Pedro standby generator.

BEL will provide updated information on the restoration works as it becomes available. The Company regrets any inconvenience caused by this power outage. For more information customers may call 0-800-BEL-CARE (0-800-235-2273).
