BEL Employees Share Easter Fun with Hattieville Students

A team of Belize Electricity Limited (BEL) employees are visiting Hattieville Government School today to distribute Easter baskets to students as they prepare for the Easter school break.

Approximately 65 children, ages three to fourteen years, will be receiving baskets filled with toys and treats. Mr. Bunny Hop will also be present to share in games and fun activities organized by BEL's employees.

“The deserving school children selected for this year’s Easter Basket Drive will leave for their Easter Break with treats they might not have received otherwise,” said Public Relations Officer Diana Forman. “Our employees eagerly anticipate opportunities like these to interact with the communities we serve.”

This \$2,500 donation is part of BEL’s year-round Community Involvement Program, to provide deserving persons and organizations with sponsorship and support.
