Contract Award Notice – Works

Energy Resilience for Climate Adaptation Project (ERCAP)

Upgrade of Belcogen Substation, Orange Walk

1. **Summary:**

Names of Construction Firm	Country
K-Line International (Canada) Limited	Canada

2. **Name of Firm:** K-Line International (Canada) Limited

3. **Final Awarded Price:** USD 1,247,341.50

4. **Commencement Date of Contract:** July 1, 2022

5. **Duration of Contract:** Nine (9) months

6. **Summary Scope of Contract:** Construction, testing and commissioning of the Belcogen Substation (Final Phase 2) including installation of three (3) new circuit breakers, switches and overhead bus. Also includes expansion of the existing Belcogen station fence and footprint.

Note: Selection Method: The Contractor was selected through the Direct Selection Method because they were recently engaged by BEL via a harmonized International Financing Institution International Competitive Bidding process to complete the expansion of the previous phase of the Belcogen station in 2019.
