

TENDER

Consultancy Services for Independent Supervision & Certification of AMI Meter Installation Works

Belize Electricity Limited (BEL) invites eligible consultants to submit expressions of interest for consultancy services for the Independent Supervision and Certification of AMI Meter Installation Works in Belize. The objective of the consultancy is to provide independent engineering supervision, verification, and certification of AMI installation works across Belize, as part of BEL's nationwide Advance Metering Infrastructure (AMI) Program.

All interested bidders can download copies of the bid document from BEL's website at www.bel.com.bz/Tender.aspx, which outlines all duties and responsibilities of the contract.

Expression of Interest must be submitted via email no later than 3:00 p.m. local time on Wednesday, May 20, 2026.

Email: bidsubmittal@bel.com.bz & procurement@caribank.org

Email Subject: Expression of Interest – Consultancy Services for Independent Supervision and Certification of AMI Meter Installation Works.

Applicants are required to send their Expression of Interest simultaneously to BEL and the Caribbean Development Bank (CDB), clearly using the approved email subject stated above.

For more information or queries, send email to bidboxrequest@bel.com.bz

Cost incurred for visiting the facilities to be maintained and preparation of the tender document are the responsibilities of the bidder. The lowest tender will not necessarily be accepted. BEL also reserves the right not to accept any tender.
