

# CAREER OPPORTUNITY

Belize Electricity Limited (BEL) is the primary distributor and the only licensed public provider of electricity in Belize. Our Mission is to deliver safe, reliable and sustainable energy solutions to enhance the quality of life and the productivity of enterprise and to support national development.

We are looking for a highly motivated, goal oriented, responsible and committed person to join our team in the role of **Electrical Technician I** in the **Transmission & Substations Department** of our **Energy Supply & Transmission Division**.

## **Duties:**

- Assist Electrical Technicians and Leadhands in carrying out their duties including the maintenance of power and distribution transformers, circuit breakers, reclosers, voltage regulators, protective relays, and other substation equipment.
- Assist with the installation and maintenance of all power and distribution transformers, switchgears and reclosers for the Company.
- Become familiar with all maintenance instructions, electrical diagrams, spare parts and operation of all electrical equipment in the department.
- Install basic electrical wiring for substation equipment and prepare reports for less complex jobs.
- Participate in the Substation Technician Training Program.

## **Education and Experience:**

- Associate Degree in Electrical Engineering

## **Required Skills and Abilities:**

- Knowledge of design and layout of electrical circuits
- Knowledge of Electrical Safety Principles and adherence to safe work practices
- Knowledge of AutoCAD or any equivalent computer aided design program
- Good oral and written communication skills
- Proficient in Microsoft Office Applications with emphasis on Excel
- Ability to adapt to changes
- Team player who is assertive with good interpersonal skills
- Accountable and takes initiative
- Valid driver's license (manual transmission)

**Salary:** in accordance with Company Salary Structure.

Kindly submit application letter along with resume, copy of degrees and certificates addressed to:

**Manager, Talent Acquisition & Development**
