BEL Restores Power Supply to Caye Caulker Customers

Belize Electricity Limited (BEL) restored power supply to all customers in Caye Caulker at 2:34 a.m. on Thursday, January 2 following repairs to one of the generation units that supplies electricity to the island.

Power supply will be maintained to the capacity of the two functioning generation units, while our teams work ceaselessly to complete repairs to a third generation unit.

BEL recognizes and regrets the impact of the recent power outages on residents and businesses in Caye Caulker.
