## Over 700 Families and the Elderly Countrywide receive Gifts of Hampers from BEL and Employees

Our Annual Christmas Hamper Drive tradition continues for the 24<sup>th</sup> consecutive year, with BEL and employees gifting over 700 hampers and care packages countrywide.

Over the past two weeks, teams of employees and partnering community organizations delivered over 450 hampers with the items needed for a traditional Christmas meal, and essential groceries to deserving families; along with care packages to 250 senior citizens.

Our employees are involved in the communities we serve and help to identify deserving organizations, families and individuals for our ongoing social contributions throughout the year.

Since the start of the year, and as part of our ongoing outreach, over 80 other families who faced hardship or needed assistance with recovery from flood and hurricane, received hampers with essential household items and groceries.

We remain grateful for these opportunities to give back and thankful for our network of community based organizations and individuals with whom we partner for outreach initiatives.

The 2022 BEL Community Spotlight Awards Show, premieres at 2:00 p.m. on Monday, December 26 on BEL's Facebook page and YouTube channel, television and radio stations countrywide.
