Over 220 Families and Senior Citizens Countrywide Receive Hampers from BEL and Employees

Our Annual Christmas Hamper Drive tradition continues for the 26th consecutive year. BEL and our employees spread holiday cheer delivering over 220 hampers and care packages to deserving families and senior citizens countrywide.

Over the past two weeks, teams of employees packaged and delivered 120 hampers with items for a traditional Christmas meal and essential groceries to deserving families. Additionally, 100 care packages with essential groceries and toiletries were delivered to senior citizens.

Our employees are actively involved in this annual tradition. Their connections with the communities we serve help us identify deserving families and individuals to assist through our various community outreach initiatives.

Giving back to our community is part of our BEL culture and reflects one of our core values. We remain grateful for these opportunities to give back to our community and share the spirit of the season with deserving families and individuals.

From our BEL family to yours, we extend our warmest wishes for a joyful and blessed holiday season.
